

**ANNUAL ASBESTOS NOTIFICATION  
EASTPOINTE COMMUNITY SCHOOLS**

**2023 – 2024 SCHOOL YEAR**

In accordance with Section 763.84 of the Asbestos Hazard Emergency Response Act (AHERA), or the “Asbestos in Schools Rule,” Eastpointe Community Schools is notifying employees and building occupants, or their legal guardians, of activities conducted within the past school year involving the asbestos inspections, response actions, and post-response action activities, including re-inspection and periodic surveillance activities, that are planned or in progress at School District facilities.

During the upcoming (2023 – 2024) school year, Eastpointe Community Schools has planned the following activities related to asbestos-containing materials throughout the school district:

**Six Month Periodic Surveillances:** Six month periodic surveillances will be completed every six months and continue on a regular six month schedule. The next scheduled rounds will occur in December 2023 and June 2024.

**Three Year Re-inspections:** The EPA requires that each school district re-inspect all known and assumed asbestos-containing materials once every three years. The three year re-inspection activities for all Eastpointe Community Schools facilities were last completed in December 2023. The next three year re-inspections will occur in the December 2026.

**Asbestos Abatement Projects - Scheduled:** As of the beginning of the school year, asbestos abatement projects have been scheduled at the following district facilities: Early Learning Center, Eastpointe High School and Pleasantview Elementary School. When necessary, to support building operations or renovations, asbestos abatement projects will be completed in accordance with all state and federal regulations by trained and accredited personnel

During the previous (2022- 2023) school year, Eastpointe Community Schools completed the following activities related to asbestos-containing materials throughout the school district:

**Six Month Periodic Surveillances:** Six month periodic surveillance activities were completed in December 2022 and June 2023.

**Asbestos Abatement Projects - Completed:** asbestos abatement projects were conducted at the following Eastpointe Community School Facilities during the 2022 - 2023 school year: Bellview Elementary, Crescentwood Elementary, Early Learning Center, Eastpointe High School, Eastpointe Middle School, Forest Park Elementary and Pleasantview Elementary.

Eastpointe Community Schools AHERA management plans are available digitally for review at each school, or at the Maintenance Facility, 17116 10 Mile Rd. Eastpointe, MI 48021. Summaries of abatement projects prior to the 2023-2024 school year are included in the plans, and complete documentation is maintained at the Maintenance Facility. Questions regarding the asbestos program for Eastpointe Community Schools can be directed to the district’s AHERA Designated Person, at (586) 533-3950 during business hours.
