

# SHAMROCK SCOOP

Eastpointe Community Schools

December 2022

## CREATIVE CRUSADERS

Eastpointe Middle School art students have been sharpening their 3D graphic design skills through Google Drawing, learning about computer animation, and exploring digital photography!

## HOLIDAY COUNTDOWN

You may have heard of Elf on a Shelf, but here in ECS we have...Maurice on Release?! Maurice can normally be found in our technology department and is sending us pictures from all over the district to help us count down to holiday break - [follow along on Facebook](#) to see where he goes next!

## THANKSGIVING FEAST

Our ECSE classes at the Early Learning Center had a delicious Thanksgiving feast for lunch the Monday before the holiday! Students tried all of the traditional foods, but pumpkin pie was definitely their favorite.

## SUPPORTING OUR COMMUNITY

Our EHS Student Assembly hosted a food drive and a dodgeball fundraiser just before Thanksgiving to help members of our community. The students filled about 20 boxes and bags with non-perishable food, which will be donated to homeless families in the district as well as the Cops That Care food bank.

## SUPER SHOUTOUT

The one and only Dan Zander recently celebrated his 30th anniversary as a school crossing guard! Dan is a familiar face at so many of our school events, and he is dedicated to making sure our students get to and from school safely.

Are you looking for a career path with meaning? We are looking for YOU! ECS is excited to be adding ten additional academic paraprofessionals to help our students learn and grow. We offer competitive wages, full benefits, a district-paid route to your bachelor's degree and teaching certification, and more. [Click here to learn more or apply now!](#)
