

JOB POSTING

Bob Title: Middle School Principal
School: Eastpointe Middle School

*Do you have a knack for empowering leadership in a team environment?
Do you find talents and skills in others that can be utilized?
Have you raised the profile of a school by promoting the great things happening there?
Can you develop a school culture of high academic achievement for all students that
inspires pride in all stakeholders?
Are you dedicated to supporting the whole child and whole community?*

Who we are: Eastpointe Community Schools is in the business of transforming lives. Our strategic plan approved by the Board of Education January 2023 aligns and focuses the work of our district. Part of our continued growth and improvement involves increasing educational expectations, developing a culture of pride in our community and schools, and nurturing all students to address academic, behavioral, and interpersonal needs.

Eastpointe Community Schools is a community of approximately 2200 students: we are proud of our Early Learning Center, four elementary schools, one middle school, and a Secondary Campus supporting around 900 students in grades 8-12 (an 8th Grade Academy, a traditional high school setting for grades 9-12, and a Virtual Academy/Alternative Center). We boast partnerships with Michigan State University, Wayne State University, Boys & Girls Club, Macomb Community College, and many other community entities.

What we offer: We appreciate talents and skills that support a collaborative community. As a Principal in our district, you will work side by side with a central office partner who will help move you and your building forward. You will find tremendous opportunities for professional learning in Eastpointe, as continuous growth and support is an expectation for all employees. We pride ourselves on creating a culture of educators who feel this work is a calling.

What we are looking for: Leaders who are dedicated to inspiring excellent instruction, providing a safe nurturing learning environment with high expectations. **Leaders** able to guide, support, and embrace new ideas with staff, students, families and the community. **Leaders** who have experience in creative scheduling, building social emotional support systems, and virtual instruction. **Leaders who build strong relationships and leadership capacity within others is critical.**

Job Qualifications:

- Masters in Educational Administration or related field
- State of Michigan School Administrative Certification, or in process
- Previous school Administrative or Leadership experience
- Minimum of 5 years of classroom teaching experience
- Successful record of school turnaround leadership

Posting Open Date: 4/11/25

Posting Close Date: 4/18/25
