

Eastpointe Virtual Academy Student Participation Guidelines

Eastpointe Virtual Academy (EVA) operates as a distinct educational program within the Eastpointe Community Schools system. While many of the core policies of Eastpointe High School (EHS) apply to EVA students, there are key differences in participation guidelines related to extracurricular and after-school activities.

To preserve the integrity of both our traditional and virtual learning experiences, the following EVA-specific policies are in place:

EVA students are not eligible to participate in EHS athletics, after-school programs, or extracurricular clubs. Additionally, EVA students—regardless of grade—are not permitted to attend social events sponsored by Eastpointe High School, such as school dances, class trips, or student assemblies.

Senior EVA students are permitted to participate in Prom and Commencement if they are on track to graduate, as these are considered capstone experiences for graduates they are not allowed to participate in any other senior activities. In order for EVA students to participate in Senior Activities they must have the necessary credits by the same date as EHS students which will be provided in Senior packets which will be distributed during August Shamrock Days.

These distinctions are in place to maintain the integrity of both Eastpointe High School and the Eastpointe Virtual Academy, while ensuring each program serves the needs of its students appropriately. If there are questions about eligibility for any school event or policies, students and families should check with the EHS Administration in advance for clarification.
