Get help with expenses health insurance doesn't cover

Aflac for Eastpointe Community Schools

Unexpected medical expenses can leave you financially vulnerable. Aflac offers a layer of financial protection to help you with the costs that may not be covered by your major medical insurance.

Aflac supplemental insurance policies

Accident

Individual accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.

Cancer/Specified-Disease

Aflac cancer/specified-disease policy provides robust benefits so you can seek the treatment you need while easing the financial concerns that often accompany it– before, during and after diagnosis.

Critical Illness (Specified Health Event)

An Aflac specified health event policy is designed to help with the costs of treatment if you experience a covered health event.

Hospital Confinement Indemnity

Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Aflac hospital insurance can help minimize those out-of-pocket costs so you can focus on recovery.

Short-Term Disability

What if you couldn't work due to injury or illness? Aflac Short-Term Disability insurance helps replace some of your income and keeps working when you can't.

Whole or Term Life

With Aflac's whole or term life insurance, you can rest easy knowing that your family can have financial security when they need it most.
